# A BILL

- To amend title XIX of the Social Security Act and the Public Health Service Act to improve the reporting of abortion data to the Centers for Disease Control and Prevention, and for other purposes.
  - 1 Be it enacted by the Senate and House of Representa-
  - 2 tives of the United States of America in Congress assembled,

#### **3** SECTION 1. SHORT TITLE.

- 4 This Act may be cited as the "Ensuring Accurate and
- 5 Complete Abortion Data Reporting Act of 2025".
- 6 SEC. 2. FINDINGS.
- 7 Congress finds the following:

 $\mathbf{2}$ 

1 (1) Reporting abortion data has been voluntary 2 in the past, which has not resulted in complete data 3 being submitted to the Centers for Disease Control 4 and Prevention. 5 (2) While the Centers for Disease Control and 6 Prevention requests specific data points from each 7 State and the District of Columbia, there is a great 8 variety in the information collected and published by 9 the States. 10 (3) In fact, there is not a single abortion data 11 point publicly reported for all 50 States and the Dis-12 trict of Columbia. 13 (4) Even more alarming, 3 States that together 14 account for 15 percent of the United States popu-15 lation of women of childbearing age do not report 16 any abortion data to the Centers for Disease Control 17 and Prevention. 18 (5) Accurate statistical data regarding abortion 19 and those who survive abortion attempts is critical 20 to public health and policy analysis. 21 SEC. 3. MEDICAID PAYMENTS FOR CERTAIN FAMILY PLAN-22 NING SERVICES AND SUPPLIES CONTINGENT 23 ON SUBMISSION OF ABORTION DATA TO CDC. 24 Section 1903 of the Social Security Act (42 U.S.C. 25 1396b) is amended—

1	(1) in subsection $(a)(5)$ , by inserting before "an
2	amount equal to" the following: "subject to sub-
3	section (cc),"; and
4	(2) by adding at the end the following new sub-
5	section:
6	"(cc) ANNUAL REPORTS ON ABORTION DATA.—
7	"(1) IN GENERAL.—Subject to paragraph (2),
8	as a condition of receiving payment under subsection
9	(a)(5) with respect to any amount expended during
10	a year (beginning with the year following 2 years
11	after the date of the enactment of this subsection)
12	for family planning services and supplies described
13	in section $1905(a)(4)(C)$ furnished to an individual
14	described in section 1902(ii) or an individual whose
15	medical assistance under this title is limited to such
16	services and supplies furnished pursuant to a waiver
17	granted under section 1115, each State shall, by not
18	later than December 31 of the previous year, submit
19	to the abortion surveillance system of the Centers
20	for Disease Control and Prevention, with respect to
21	the year before the previous year, at least abortion
22	data regarding the mandatory questions described in
23	section $317W(a)(3)(A)$ of the Public Health Service
24	Act.
